HONORARY CHAIRMEN

March 24, 1958

Dear.

All over the United States, Jewish communities are organizing and making arrangements to suitably celebrate Israel's Tenth Anniversary. Here in Phoenix excellent progress is being made toward a celebration which will truly express our pride in Israel's achievements.

We are planning a series of events - a gala evening celebration, a stamp exhibit, a book and art exhibit, a children's program Sunday morning, April 27th, an Israeli fashion show and a concert presented by the Phoenix Symphony Orchestra. A Speakers' Bureau is being organized and we can furnish you with a speaker or a panel of speakers on the Theme - Israel, A Decade of Progress. We can also provide your program chairman with some excellent films for an Israel Program.

We now need your cooperation and assistance. Our program requires a minimum budget of \$1,500.00 and all Jewish organizations are being asked to contribute to this community project. A fair share for your organization is \$ _____. Can you please arrange to grant us this amount as your financial participation? Your financial assistance is absolutely required for the success of our program. With many thanks,

Yours,

M. B. Goldman, Jr.
General Chairman

Finance Chairman
